## Maintenance Plans & Support

### Launching your website is just the beginning.

To keep it secure, fast and performing at its best, regular maintenance is essential.

### At NC Digital, we look after the technical side so you can focus on running your business.

Our maintenance plans are built to protect your website, prevent problems before they happen and give you ongoing support as your business grows.

### We offer three levels of cover:

**1**

**Essential**

**2**

**Growth**

**3**

**Pro**

Each plan is designed to give you peace of mind and the right level of support for your needs.

**Weekly core, theme & plugin updates**

Keeps your website secure, compatible, and up to date.

**Security scans & vulnerability monitoring**

Helps detect threats early before they cause problems.

**Daily cloud backups with 1-click restore**

Ensures your site can be quickly recovered if anything goes wrong.

**Uptime monitoring**

Alerts us straight away if your site goes offline.

**Link monitoring**

Checks for broken links that can harm SEO and user experience.

**Monthly performance & security report**

Gives you a clear overview of updates and site health.

**Up to 30 minutes support/small tasks**

Quick fixes and updates included without extra costs.

**Reduced hourly rate for extra work**

Enjoy a discounted rate on additional development or design tasks if needed.

**Best for: Small businesses who need reliable maintenance and occasional hands-on help without the hassle.**

## **Growth Plan – £50/month**

Everything in Essential, plus more support and optimisation.

### **All features from the Essential Plan**

Updates, security, backups, monitoring, reports, and reduced hourly rate.

### **Monthly basic SEO checks**

Identify simple on-site issues like missing meta titles, descriptions, or sitemap errors.

### **Weekly performance checks & speed optimisation**

Keeps your site running smoothly and loading quickly for visitors.

### **Priority support**

Your requests are handled before non-plan clients.

### **1 new page per month**

Expand your website with a fresh service, product, or landing page.

### **1 blog post or case study per month**

Grow your site's content and support your SEO strategy.

### **Up to 1 hour support**

Extra time included each month for small fixes or content updates.

**Best for: Businesses that want their website to grow alongside their business.**

### **All features from the Essential & Growth Plans**

Everything you need for security, updates, monitoring, SEO checks, and content growth.

### **Monthly advanced SEO health check**

A deeper review of keywords, on-page issues, and technical errors to support your ranking goals.

### **2 new pages per month**

Expand your website quickly with new service, product, or landing pages.

### **2 blog posts or case studies per month**

Regular, fresh content to build authority and improve SEO.

### **Up to 1.5 hours support**

Extra time included each month for fixes, updates, or design changes.

**Best for: Businesses that depend on their website and want ongoing improvements, SEO growth, and proactive support.**
